Towards Saving An Important Life ...

Dear Colleagues,

We take great pleasure and pride to invite you to the 10th ***BLS/ACLS Provider Course in Chhattisgarh*** for budding and upcoming medical personnel, looking forward to quench thirst in Cardiopulmonary Resuscitation and other cardiopulmonary emergencies.

This course includes Video-based teaching, Instructor-led knowledge dissemination, single-rescuer BLS and team Based approach for ACLS. Also one can learn to promptly recognize life-threatening emergencies and use of AED . There will be hands on training of CPR, Recognition and early management of peri-arrest conditions and Airway management.

On successful completion receive a BLS/ACLS Provider card, Worldwide valid for two years.
