

19th World Congress of Pain in 2022, Toronto, Canada

Dr Pratibha Jain Shah (HOD, Deptt of Anaesthesiology, Pt JNM Medical College Raipur) had presented her research work at 19th World Congress of Pain in 2022, Toronto, Canada from 19th-23rd Sept which was hosted by IASP (International Association for the Study of Pain). It was the world's largest platform to network and exchange knowledge for passionate Academicians & researchers working in the field of pain management across the world. It would surely be beneficial in enhancing pain practice and researches as well as in helping pain sufferers with latest treatment modalities.
